

The Perfect Fuse Checklist

- ☐ 1. Pre-wash and fully dry the fashion fabric.
- ☐ 2. Trim interfacing seam allowances to 1/4 inch.
- ☐ 3. Align interfacing grainline with the fabric grainline.
- ☐ 4. Set iron to Wool/Steam setting (or follow brand directions).
- ☐ 5. Place a damp silk organza press cloth or Teflon sheet over the piece.
- ☐ 6. Press straight down for 10-15 seconds (Do not glide!).
- ☐ 7. Overlap the pressed areas until the entire piece is fused.
- ☐ 8. Flip and steam-press from the right side of the fabric.
- ☐ 9. Let cool completely before touching or moving the fabric.
